AFMIS MODERNIZATION

AFMIS Modernization
AUTOMATED HEADCOUNT

- Improve headcount accuracy
- Reduce Maintenance and Support Costs
- Allow use of Rapid ID and/or Common Access Card (CAC)
- Verify Meal Entitlement - CAC Only
- Cash accountability / Payroll Deduction (CAC)
- Reduction of cash in the Dining Facilities - Use of Payroll Deduction w/ CAC
- Reduce Food Service Officer's Time by 3-4 hrs Daily
- Reduce administrative personnel time by 3-4 hours Daily

ECOM Bottom Line: THE WARFIGHTE

AFMIS Modernization
CAC Issues

- **Time of Issuance**
  - Need Joint Data Model Container Loaded
  - Need Population of Meal Entitlement Code/UIC
- **Maintenance**
  - DoD Does Not Supply Maintenance Program
  - Recommend Function At Personnel Administration Center (PAC, S-1)
- **Personnel Identification Number**
  - Must Be Entered
  - Soldier Must Know PIN

AFMIS Modernization
AUTOMATED HEADCOUNT

- **Backoffice Functions**
  - Menu Planning Templates
  - Production planning
  - Purchasing and receiving
  - Issues and transfers
  - Inventory control
  - Operational and food cost analysis
  - Cash accountability
  - Equipment Budgeting & Replacement
  - Menu item management
- **Point-of-Sales Functions**
  - Capture sales
  - Capture soldier ID and track headcount
  - Tender and close-out
  - Headcount and Sales Reports
  - Verify soldier meal entitlements
  - Offers Payroll Deduction

ECOM Bottom Line: THE WARFIGHTE
